	Environmental Licensing Programme

1. Condition 12.2.2

The licensee shall arrange for the revision by an independent and appropriately qualified consultant, of a comprehensive and fully costed revised Environmental Liabilities Risk Assessment (ELRA) which addresses the liabilities from past and present activities. The assessment shall include those liabilities and costs identified in Condition 10 for execution of the CRAMP. ~~A report on this assessment shall be submitted for approval and agreement by the Agency within twelve months of date of grant of this licence~~

2. Condition 12.2.4

The licensee shall ~~within 12 months of date of grant of this licence, and,~~ to the satisfaction of the Agency, make financial provision to cover any liabilities associated with the operation (including closure, restoration and aftercare). The amount of financial provision held shall be reviewed and revised as necessary, but at least annually. Proof of renewal or revision of such financial indemnity shall be included in the annual 'Statement of Measures' report identified in Condition 12.2.1.
