

EIA Screening Determination

In accordance with Section 83(2A) of the EPA Act 1992, as amended, the Agency has, as part of its consideration of the Industrial Emissions licence application review referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

Licence Application Details:

Reg No.	P1024-02
Applicant Name:	Doon Farm Enterprises Limited
Location of installation:	Doon, Araglin, Kilworth, County Tipperary
Licence Application Date:	03 April 2017
Date of EIA Screening Determination:	21 April 2020

EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is required for the activity to which the above licence application relates due to the following reasons:

Having considered the information provided by the applicant, it has been determined that the activity constitutes a project to which the EIA Directive applies and is likely to give rise to significant effects on the environment by virtue of its nature, size and location.

The activity exceeds the following threshold in Part 1 of Schedule 5 of the Planning and Development Regulations 2001 as amended:

- 17(b) - Installations for the intensive rearing of pigs with more than 3,000 places for production pigs (over 30 kilograms).
