| <b>RE:</b>  | Clerical Amendment to Industrial Emissions Licence Register Number: W0291-02, held by Forge Hill Recycling Unlimited Company for an installation at Forge Hill Waste Transfer Station, Forge Hill, County Cork. |

### 1. Recommendation

I recommend that the licence amendment be approved as set out in the attached recommended Clerical Amendment A.

### 2. Background

Forge Hill Recycling Unlimited Company was granted a revised Licence, Reg. No. W0291-02 on 26 March 2020 for an installation located at Forge Hill Waste Transfer Station, Forge Hill, County Cork.

A clerical amendment is required to correct clerical errors noted in the Final Decision issued on 26 March 2020 to allow for the correct interpretation of the licence requirements.

### 3. Assessment

On 8 April 2020, the Agency initiated a Clerical Amendment of Industrial Emissions Licence Reg. No. W0291-02, in order to allow for:

In Condition 11.17 the reference to Condition 2.2.2.3 should refer to Condition 2.2.2.7.

This memo recommends that the change may be accommodated by a Clerical Amendment, in accordance with Section 96(1)(a) of the Environmental Protection Act 1992 as amended.

Signed,
