**Request for review of Schedule C: Control & Monitoring of IEL licence W0025-04  
 Powerstown Landfill.**

Carlow County Council seek to review Schedule C: Control & Monitoring and specifically the leachate locations listed in Table C.1.1 of I.E Licence W0025-04.

The licence stipulates that leachate composition is required annually at the following locations: Leachate Lagoon (LG), Leachate Tank (LT), L1, L2, L3, L4, L7, L10, L11, L12, L13, L15, L16, L17, L18.

Carlow County Council request to reduce the number of leachate locations listed for annual sampling and propose to sample annually at the leachate lagoon and leachate tank. The sampling requirements were carried out as per the terms of the licence during 2018 and 2019 at a cost of €2500-3000.

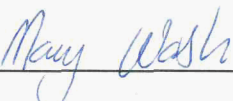

Carlow County Council intend to continue to comply with Schedule C.3 Table C.3.1 of the licence for quarterly leachate sampling.

Consent of copyright owner required for any other use.  
 For inspection purposes only.

In summary, Carlow County Council propose to carry out the following:

- I. Continue to carry out visual inspection, odour and temperature at the following locations quarterly: LG, LT, L1/L2, L3/L4, L7, L10, L11, L12, L13, L15, L16, L17 and L18
- II. Carry out sampling for annual parameters listed in Table C.3.1 at locations LG and LT.

For clarification or further information please contact the undersigned.
