TECHNICAL AMENDMENT A
TO
WASTE LICENCE

Licence Register Number:	W0254-01
Companies Registration Number:	564315
Licensee:	Walshestown Restoration Limited
Location of Facility:	Walshestown Blackhall Tipperkevin and Bawnoge Naas County Kildare

Reasons for the Decision

The Environmental Protection Agency is satisfied, on the basis of the information available, that subject to compliance with the conditions of Licence Reg. No. W0254-01 granted on 23 October 2013 as well as any amendments noted herein, any emissions from the activity will comply with and not contravene any of the requirements of Section 40(4) of the Waste Management Act 1996 as amended.

A screening for Appropriate Assessment was undertaken to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activity, individually or in combination with other plans or projects is likely to have a significant effect on any European Site. In this context, particular attention was paid to the European Site(s) at Red Bog, Kildare SAC [Site Code: 000397], Poulaphouca Reservoir SPA [Site Code: 004063], Wicklow Mountains SAC [Site Code: 002122], Wicklow Mountains SPA [Site Code: 004040], Mouds Bog SAC [Site Code: 002331], Pollardstown Fen SAC [Site Code: 000396], Ballynafagh Bog SAC [Site Code: 000391] and Ballynafagh Lake SAC [Site Code: 001387].

The activity is not directly connected with or necessary to the management of any European Site and the Agency considered, for the reasons set out below, that it can be excluded, on the basis of objective information, that the activity, individually or in combination with other plans or projects, will have a significant effect on any European Site and accordingly determined that an Appropriate Assessment of the activity was not required. The reasons for this determination are as follows:

- The installation is not located within the above European Sites.
- There is no hydrological connection between the facility and these European Sites.
- There will be no emissions of environmental significance from the activity.
- The activity will not result in damage to, or loss of, species and habitats of these European Sites.
