Subject: Withdraw Technical Amendment CR06796
Date: 13 February 2020 16:16:07

Hello

We have made a new Technical amendment application on EDEN for SSE Great Island (P0606-03). It mostly relates to the same aspects with an additional information as advised by the EPA included. We are requesting that CR06796 be withdrawn as its not superseded by todays technical amendment application,

If you have any queries, do not hesitate to contact me,

Thanks

Regards
