Siobhan

Further to your site visit to Kilsaran's soil recovery facility in Halverstown, Co. Kildare last January and recent correspondence in respect of its waste licence application, I am contacting you on behalf of Kilsaran to enquire how the licence application is progressing or likely to progress over the coming weeks (or months) and if there is a target date for issuing of a proposed decision in respect of the licence application. The company is obviously concerned about the length of time which has elapsed since the application was submitted (in February 2019) and would appreciate it if you could provide an indication by return as to when a decision is likely to be made.

Regards
