Reminder in relation to the EPA (Industrial Emissions) (Licensing) Regulations 2013, in respect of a licence application from William Connolly & Sons Unlimited Company for an installation located at William Connolly & Sons Unlimited Company, Grange Lower, Goresbridge, Kilkenny, R95 EKH4.

Dear Sir or Madam,

It is noted that you have still not provided the additional information required as outlined in my letter dated 20/11/2018 and reminder letter dated 18/12/2019, and therefore your application is still not in compliance with regulation 9 of the EPA Industrial Emissions (Licensing) Regulations 2013 (S.I. No. 137 of 2013).

Please note that under Regulation 10(2)(b) of the Regulations, if your application fails to comply with the requirements of Regulation 9, the Agency may consider that the application cannot be further considered by the Agency.

The Agency directs you to submit all the outstanding information requested by 01/09/2020. You should confirm your intent to do so by immediate return of email to licensing@epa.ie.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries please contact licensing@epa.ie.

I wish to advise that it is an offence liable to prosecution to carry on an activity, which requires a licence, in the absence of such a licence.

Yours faithfully,
