Environmental Licensing Programme,
Office of Environmental Sustainability,

27th August 2020.

Ref: 146.04-EPA-02-20

EPA Ref: W0146-04

To whom it concerns,

We consent to the requested extension but only on the basis that the Agency immediately assign a licensing inspector to commence the revision process. This development is of national significance in relation to contingency capacity so a decision in relation to this review is important.

Kind Regards,

David Naughton.

Group Environmental Manager.
