Mr. Tim Cullinane
On behalf of Woodville Pig Farms Limited

16/09/2020

Reg. No.: P0467-03

Notice in accordance with Regulation 7 of the EPA (Industrial Emissions)(Licensing) Regulations 2013 as amended, in respect of a licence review from Woodville Pig Farms Limited for an installation located at Woodville and Ballyknockane, Ballymackey, Nenagh, County Tipperary, E45 TY03.

Dear Mr. Cullinane,

I refer to your application for a licence review received by the EPA on 26 May 2020.

I advise that in accordance with Regulation 7 of the EPA (IE) (Licensing) Regulations 2013 as amended, a failure of compliance has occurred, and information is required under the regulations in support of the application.

A site notice check carried out by EPA staff on 25th June 2020, indicated that no site notice was in place on that date, as required by Regulation 6 of the EPA (IE) (Licensing) Regulations 2013 as amended.

Furthermore, the notice given to the planning authority under section 87(1)(a) of the EPA Act of 1992, as amended, did not contain all of the information referred to in Regulation 5 of the EPA (IE) (Licensing) Regulations 2013 as amended, as required by Regulation 8 of those Regulations. Namely it did not “specify the class or classes and nature of the Industrial Emissions Directive activity in accordance with the First Schedule to the Act of 1992”.

The EPA therefore requires you to:

- Reinstatement of the site notice for a period of one month and in accordance with the requirements of Regulation 6 of the EPA (IE) (Licensing) Regulations 2013 as amended.

- Resubmit a notice to the planning authority in compliance with Regulation 8 of the EPA (IE) (Licensing) Regulations 2013 as amended.

You are required to submit evidence that you have complied with the regulations (include dated photographic evidence of the site notice in place).

The requested information should be submitted to the EPA within 28 Calendar Days of the date of this notice in order to allow the EPA to process and determine your application.

It should be noted that the eight-week period within which the EPA is to decide the proposed determination will commence on the day on which this notice has been complied with.

If you have any further queries, please contact licensing@epa.ie.

Yours faithfully,
