Date of AA Screening Determination:	23 September 2020

AA Screening Determination:

That the activity is not directly connected with or necessary to the management of any European site and that it cannot be excluded, on the basis of objective information, that the activity, individually or in combination with other plans or projects, will have a significant effect on any

European site and accordingly determined that an Appropriate Assessment of the activity is required.

This determination is based on the hydrological connection to the Malahide Estuary SAC (Site Code:000205) and the Malahide Estuary SPA (Site Code:004025) and the potential effects the activity may have on European Sites and their qualifying interests.
