Dear Thomas,

The Institute of Geologists of Ireland remains satisfied to state that you are a person who is qualified, trained and experienced to the standard set out in Section 2.3 of *Code of Practice: Environmental Risk Assessment for Unregulated Waste Disposal Sites (EPA, 2007)* and have achieved professional accreditation status with this professional regulatory body. Your specialisms (as indicated by you on your application form to the IGI) are:

1. Environmental Geology

I can confirm that your place on the IGI's Register of Professionally Qualified Geoscientists / Competent Persons (*in respect of environmental risk assessment for regulated and unregulated waste disposal and contaminated land*) has been renewed. Please see www.igi.ie for current Register.

Note that in order to remain on the register you need to confirm that you are staying abreast of current developments in the industry by participating in relevant CPD by indicating this on your annual CPD returns.

In addition you must be a member in good standing to be listed on the register.

In line with our duties under GDPR, by applying to be part of this professional register you are consenting to have your personal details (e.g. name, email address and provided phone number) held on a publicly accessible webpage maintained by the IGI for the management of this register.

The current register will remain valid until 31st March 2021.

Yours sincerely,

**EurGeol Mairead Glennon PGeo
