Mr. Robert Hunt

On behalf of Dublin City Council

08 December 2020

Reg. No.: W0303-01

Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations, in respect of a licence application from Dublin City Council for a facility located at Ballymun Recycling Centre, St. Margaret's Road, Ballymun, Dublin 11.

Dear Sir,

I refer to the application for a licence received by the EPA on 19 June 2019.

Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with the above-mentioned legislation. You are therefore requested, in accordance with the regulations, to supply the information detailed below.

**ARTICLE 13 COMPLIANCE REQUIREMENTS**

Please submit to the agency evidence of planning permission for the requested waste capacity (5,000 tonnes/annum) or in its place confirmation from the Planning Authority that planning permission is not required. It is noted that planning permission F17A/068 also relates to the waste licence application for the North City Operations Depot (Reg. W0302-01). A separate letter has been issued under that register number.

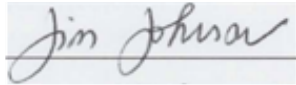

In addition to the above, please also provide an updated non-technical summary (Application Form, and EIAR where applicable) to reflect the information provided in your reply, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Your response to this request is to be submitted via EDEN within **4 weeks** from date of this notice. Guidance on how to use this portal is available on the EPA website at <http://www.epa.ie/pubs/forms/lic/industrial%20emissions/licenceapplicationformguidance.html>

Please direct any queries to [licensing@epa.ie](mailto:licensing@epa.ie).

Yours faithfully,
