

Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations 2011 as amended, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the activity, individually or in combination with other plans or projects is likely to have a significant effect on European Sites. In this context, particular attention was paid to the European Sites listed below.

Consent Details:

Reg. No.	H0208-01
Applicant Name:	Kildare County Council
Type of Consent Sought:	Certificate of Authorisation
Location of Facility:	Greenhills (Former Refuse Depot) Landfill, Athy, County Kildare
Certificate of Authorisation Application Date:	9 th October 2020
European Sites assessed:	River Barrow and River Nore SAC (site code: 002162) Ballyprior Grassland (site code: 002256)
Date of AA Screening Determination:	14 th January 2021

AA Screening Determination:

That the activity is not directly connected with or necessary to the management of any European site and that it cannot be excluded, on the basis of objective information, that the activity, individually or in combination with other plans or projects, will have a significant effect on any European site and accordingly determined that an Appropriate Assessment of the activity is required.

The reason for this determination is as follows:

- Part of the closed landfill is located within the River Barrow and River Nore SAC (site code: 002162). Hence, there is a hydrological connection between the closed landfill and this European Site.
