Subject: FAO Ewa Babiarczyk - Mulroy Environmental Ltd. - H0176-01 Galway C.C. - Tullyvogheen closed landfill - Requirement for Appropriate Assessment/NIS

Re: Historic Landfill Certificate of Authorisation Application by Galway County Council in respect of Tullyvogheen, Clifden, Co Galway

Dear Mrs. Babiarczyk,

Please note that we are the appointed agent working on behalf of Galway C.C. with regard to an application for a certificate of authorisation for an historic landfill located at Tullyvogheen. We were forwarded your email of the 27th January, 2021 with regard to the results of your AA Screening Assessment by Colin Ryder of Galway C.C.

I have a question.

Who's responsibility is it to carry out the Appropriate Assessment work and produce the AA/NIS Report? Does Galway C.C. have to prepare one?

Please call if you have any questions.

Yours sincerely,
