**Subject:** South Dublin Co Council - Reg No H0424-01 Historic Landfill Application for Waterstown

Hi Joseph,

We refer to the above closed landfill application. It is noted that the application documents submitted to the Agency back in 2016 are not the complete set of application documents that are required to be submitted by an applicant. The screenshot below shows the application documents we have received to date and are on the Agency's website - a link [here](#) for your ease of reference.

Source	Document
Applicant	 <a href="#">Application Form - Letter to Local Authority</a>
Applicant	 <a href="#">Application Form - SI Locations</a>
Applicant	 <a href="#">Application Form - AA Screening Report - Stage 1</a>
Applicant	 <a href="#">Application Form - Qualified Person Letter</a>

Please find a link [here](#) to the historic landfill section of the Agency's web which outlines what application documents are necessary to submit to the Agency. Can you please arrange for the missing documents to be submitted to the Agency as soon as possible.
