Re.: Castletownbere WWDL (D0297-01) – Review Application

Dear Inspector,

Please find attached the Wastewater Discharge Licence review application for the Castletownbere Agglomeration in accordance with the Waste Water Discharge (Authorisation) Regulations, 2007, as amended.

The expected timeframe for operation of the new outfall location is Q2, 2022, however this is subject to change.

An application fee of €20,000 was received and made electronically.

I trust the above is satisfactory.

Yours sincerely,

Peter Keegan

Environmental Regulation
