Dear Padraic,

Re: Further Application Information relating to Certification of Historic Unlicensed Waste Disposal and Recovery Activity Application in respect of Galway County Council at Tullyvogheen Historic Landfill, Clifden, County Galway

We refer to your application in respect of the above referenced facility and wish to acknowledge receipt of further information requested under Regulation 7(4) on 26 February 2021.

This letter is not intended and should not be construed as an acknowledgement by the Agency of an application which complies with the relevant Waste Management (Certification of Historic Unlicensed Waste Disposal and Recovery Activity) Regulations. The Agency will examine the documentation for compliance with the Regulations and you will be contacted in due course.

Subject: FAO Ewa Babiarczyk - Mulroy Environmental Ltd. - Tullyvogheen Historic Landfill - REGULATION 7(2) COMPLIANCE REQUIREMENTS

Tullyvogheen Historic Landfill - Notice in accordance with Regulation 7(4) of the Waste Management (Certification of Historic Unlicensed Waste Disposal and Recovery Activity) Regulations, 2008

Dear Mrs. Babiarczyk,

Following on from our previous telephone conversation with regard to the request for further information, paragraph 2 of the RFI states the following:

'2. Provide two documents that relate to the Qualified Person as required under Section 2.3 of the EPA Code of Practice-Environmental Risk Assessment for Unregulated Waste Disposal Sites.'

Please find attached a draft letter to Galway C.C. Director of Services that was submitted for a previous COA application to Kildare C.C. (i.e. Carrigeen Landfill).

Do we need to send this? Is this the 2nd document?

We are intending to submit the first part of the Further Information report today.

Please call if you have any questions.

Yours sincerely,

Padraic Mulroy
