Reg. No.: P0975-02

Notice in accordance with Regulation 19(2) of the EPA (Industrial Emission) (Licensing) Regulations 2013 as amended, in respect of a licence review from Clondrisse Pig Farm Limited for an installation located at Joristown Upper, Killucan, County Westmeath, N91 HK27.

Dear Mr. Fay,

I refer to your application for a licence review, P0975-02, which was received by the EPA on 07 June 2018.

As you are aware, the EPA assessed your application for compliance with the above referenced regulations and requested outstanding information in order to complete the application.

In the absence of a response, the EPA is of the opinion that the application has been abandoned. I enclose a Notice in accordance with Regulation 19(2) of the above referenced Regulations.

If a submission is not received by **02nd April 2021**, the application may be regarded as having been abandoned. Failure to provide the outstanding information within the time limit will also be regarded as indicating abandonment.

The Agency is empowered to treat the application as abandoned even if a submission is made and/or the documentation furnished. You should therefore treat this notice as one of primary importance and possibly the last opportunity for you to comply with your statutory obligations. It should be clearly understood that the onus for compliance with these statutory obligations rests with the applicant.

Abandonment of the application will result in prosecution for carrying on an unlicensed activity.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Marie O'Connor". The signature is written in a cursive, flowing style.
