RE: Extension of deadline for the receipt of requested further information on a licence review application.

Dear Sir/Madam

Panther Environmental Solutions Ltd, acting as consultants for Woodville Pig Farms Ltd, would like to request an extension to the deadline of **09th December 2020** for the receipt of further information requested under Regulation 10 of the EPA (Industrial Emissions) (Licensing) Regulations 2013, dated 14th October 2020.

Due to business disruptions arising from the Covid 19 lockdown and further modelling works being carried out to assess further options for potential reductions in air emissions from the farms., it has not been possible to complete the required modelling assessments within the agreed period.

We request that the deadline be extended to **14th May 2021**.

Yours faithfully
