Re/ Application for permission to construct 1 no. Poultry house (to include meal storage bin(s) and soiled water tank(s)) and all associated site works (to include new/upgraded site entrance) arising from the above proposed development at Lisgar and Corglass, Bailieboro, Co. Cavan

**Planning Reg. No. 20/416**

A Chara,

The Planning Authority confirm that the proposed development was substantially below the threshold for a mandatory EIA to be carried out. We then carried out an EIA screening exercise for sub-threshold development and concluded that EIAR was not required.

Mise Le Meas,

  
Senior Staff Officer
