Ewa,

Sorry for not getting back to you on this sooner. I have spoken to Niall Kane on this. We had appointed a consultant to carry out works in relation to groundwater monitoring at our Dungarvan and Kilbarry landfills. The response to the request for additional information in relation to the Lismore and Portlaw Historic Landfill Certificate of Registration applications will now be formulated by the appointed consultant. The consultant has been made aware of the two week timeframe for compliance.

Regards,

David
