**Re: Clondrisse Pig Farm Ltd.
Licence Application
Ref. P0975-02**

Dear Sir/Madame,

I refer to your correspondence of 7th January last in relation to our client, Clondrisse Pig Farm Ltd. Please find detailed below the response to the issues raised.

I wish to confirm that we are still working on compiling the required response. A number of specialist reports have been commissioned and are pending completion. Unfortunately the Covid restrictions over the last year, including those announced since the date of issue of your letter, have severely hampered the completion of these reports, and the associated response to the Agency.

The applicant is committed to the completion of the license application, and has been carrying out significant works to address same, and does not wish the Agency to consider same as abandoned.

An additional period of 3 months is requested to allow the completion of the reports required, at which time the applicant hopes to be in a position to, comprehensively address the issues raised or demonstrate to the Agency substantial progress in relation to same.

If you require any additional information please contact this office.

Yours faithfully,

**Paraic Fay
