Mr. Mark Heffernan

On behalf of Dublin Waste to Energy Limited

08 April 2021

Reg. No.: W0232-02

Regulation 10(2)(b)(ii) of the EPA (Industrial Emissions) (Licensing) Regulations 2013, in respect of a licence review from Dublin Waste to Energy Limited for an installation located at Dublin Waste to Energy Limited, Pigeon House Road, Poolbeg Peninsula, Dublin 4, Dublin, D04N2P2

Dear Mr Heffernan,

I refer to the application for a licence received by the EPA on 27 June 2019 and the Agency's correspondence dated 17 December 2019 and 21 May 2020 and your response dated 07 July 2020.

The Agency notes that you have not provided evidence of planning permission as requested. You are required to have regard to section 87(1B)(a) of the Environmental Protection Act 1992 as amended, in relation to the documentation required.

The requested information should be submitted to the Agency within a four week period from the date of this notice, in order to allow the Agency to process and determine your application.

It should be noted that the eight-week period within which the Agency is to decide the proposed determination will commence on the day on which this notice has been complied with. If you have any further queries, please contact licensing@epa.ie.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Your response to this request is to be submitted via EDEN. Guidance on how to use this portal is available on the EPA website at <http://www.epa.ie/pubs/forms/lic/industrial%20emissions/licenceapplicationformguidance.html>.

Please direct any queries to licensing@epa.ie.

Yours faithfully,

Environmental Licensing Programme
