**Re: Response to Request for Additional Information dated 08th April 2021 and 17 December 2019 in respect of an Application for a Review of Industrial Emissions Licence Register No. W0232-02 (the "Licence Review Application") (the "RFI")**

Dear Sir or Madam

We refer to the Licence Review Application to increase the permitted maximum annual quantity of waste to be accepted at the Dublin Waste to Energy ("DWtE") facility from 600,000 tonnes per annum to 690,000 tonnes per annum (the "Activity").

We also refer to the RFI requesting "*evidence of planning permission for the additional 90,000 tonnes or in its place confirmation from An Bord Pleanála that additional planning permission is not required (Regulation (9)(2)(e))*".

We wish to inform the Agency that on 25<sup>th</sup> March 2021, DWtE submitted an application for planning permission to An Bord Pleanála in respect of the Activity (Planning Reference PL29S.309812) (the "Planning Application").

In response to your RFI and in accordance with section 87(1B)(a)(i) of the EPA Act 1992, please find enclosed the following information which relates to the Planning Application:

- An Environmental Impact Assessment Report (EIAR) and Appropriate Assessment which has been submitted as part of the Planning Application
- An updated attachment 1-2-Non-Technical Summary to reference the EIAR and Appropriate Assessment
- An updated attachment 4-8-1 Operational Report to reference the EIAR and Appropriate Assessment
- Updated Attachment 4-7-2-BREF-Incineration to address the finalised Commission Implementing Decision (CID) 2019/2010 of 12 November 2019 on BAT Conclusions for Waste Incineration
- Updated Attachment 4-7-2 BREF Energy Efficiency to rectify a typographical error
- Updated Attachment 4-11-IED Art 44 Requirements to rectify a typographical error
- An updated Attachment 6-1-Stakeholder Engagement to reference the EIAR and Appropriate Assessment

- Updated Attachment 6-7-1-Evidence of Notice Site to reference the EIAR and Appropriate Assessment
- Updated Attachment 6-7-2-Evidence of Notice Newspaper to reference the EIAR and Appropriate Assessment
- Updated Attachment 6-7-4-Evidence of Notice to the Planning Authority to reference the EIAR and Appropriate Assessment
- Updated Attachment 7-4-1-Emissions to Air Main to address the BAT-associated emission levels (BAT-AELs) contained in CID 2019/2010

In accordance with section 4(2), we request that the Agency publish a copy of the notification contained in updated attachment 6-7-2 on its website.

Yours faithfully,

Kieran Mullins,

Dublin Waste to Energy Limited.
