Dear Mr. Johnson,

RE: Dublin City Council Ballymun Recycling Centre Waste Licence Application (Reg. No. W0303-01) – Further Information Request

As per our previous letter on 01 March 2021, we are in the process of compiling the required information for submission to the Agency in response to the RFI received. We have engaged with the planning authority, Fingal County Council, and we are preparing information for their review and approval.

We had hoped to be in a position to submit our response by 26 March 2021, however, as discussed with yourself today, we will require a further extension of time to allow us to include the response from the planning authority.

In this regard, we are requesting a further extension of time of eight weeks from today (i.e. **21 June 2021**) to submit our response.

We will endeavour to submit our response as soon as possible in advance of this date.

Yours sincerely

Robert Hunt
