Subject: DO297/01 Castletown Bere

Hi,

I refer to the above Discharge Licence and wish to advise you that Irish Water have commenced works in Castletown Bere which includes Primary Treatment only and not the Secondary Treatment, as required in the above Licence.

I attach my submission to the Planning Application and request that this be considered if an application is received to vary the Licence.

Please advise on the process to vary the Licence and the opportunity for submissions from the public, SFPA, Marine Institute, Licenced Aquaculture Operators, etc, to be considered.

Regards,

Ann Murphy
