Dear Mrs. Babiarczyk/Mrs. O'Sullivan,

Following on from your previous email on the 5<sup>th</sup> May, 2021 with regard to your difficulties with the dropbox links, please find below Onedrive links to the same set of folders as previously sent for the COA Application.

I have subdivided the Certificate of Authorisation Application for Shore Road Historic Landfill into manageable sub-10mb sized files.

The COA is divided into 3 Volumes:

- Volume I – Completed Application Form and Attachments A, B, C, E & F;
- Volume II – Attachment D/Part A – *Tier 2 Site Investigation & Risk Assessment of Former Shore Road Landfill, Clifden, Co. Galway (16<sup>th</sup> May, 2014)*; and
- Volume III – Attachment D/Part B – *Tier 3 Further Site Investigation & Updated Risk Assessment of Former Shore Road Landfill (24<sup>th</sup> March 2021)*.

Please find below the Onedrive link to a folder containing **Volume I – Completed Application Form and Attachments A, B, C, E & F** which consists of 6 files:
