On behalf of Clondrisse Pig Farm Limited

3 June 2021

Reg. No. P0975-02

Consultation Notice in respect of a licence installation from Clondrisse Pig Farm Limited for an installation located at Clondrisse Pig Farm Limited, Joristown Upper, Killucan, County Westmeath, N91 HK27.

Dear Sir or Madam,

I refer to the Agency's previous letter to you of 22 June 2018, requesting any observations you may have in relation to licence application Registration number: P0975-02 and the EIAR submitted as part of that application.

I am to inform you that in accordance with the provisions of the relevant legislation, additional information relevant to EIA has been received by the EPA on 31 March 2021. A copy of the additional information is available to view on the EPA Website at www.epa.ie.

Please note that the EIAR submitted as part of the licence application was one that was requested by the Agency.

A copy of the application submitted by the applicant and associated correspondence are available for inspection by you on the Agency's website www.epa.ie. The details of the application are set out below:

- Name and address of applicant:	Clondrisse Pig Farm Limited, Clondrisse Pig Farm, Clondrisse, Killynab (Pratt), Cloghan, Westmeath
- Location of facility:	Clondrisse Pig Farm Limited (Joristown Upper), Joristown Upper, Killucan, Westmeath, N91 HK27
- Relevant Inspector:	Linda Cahill
- Licence Application Reference No:	P0975-02
- Planning Application Reference No:	

Classes and Nature of Activity in accordance with the EPA Act 1992 as amended			
Class of Activity	Main Activity	EPA Act Sector (where applicable)	Class of Activity Description
6.2 (b)	Yes	Intensive Agriculture	The rearing of pigs in an installation where the capacity exceeds - (b) 2,000 places for production pigs which are over 30kg

It would be much appreciated that all documentation is submitted in electronic PDF format to licensing@epa.ie in order to facilitate the publishing of information to the Agency's website.

Please note that all further information received on this licence application will be made available on the Agency's website.

The application is being processed by the EPA and your observations, if any, will be considered as part of the licence review application assessment process. You will be notified of the proposed determination in due course.

Yours faithfully,

Environmental Licensing Programme
