Site Notice

Notice is hereby given in accordance with the E.P.A. Act 1992, as amended, that Ballynahinch Ltd, Ballynahinch, Carrickfergus, County Down, is applying to the Environmental Protection Agency (EPA) for the review of a licence it is proposing to issue in relation to the following activity:

The activity is covered by Activity Class 6.204, "The raising of gaps in an installation where the capacity exceeds 200 places for production gas which are each over 50kg".

An Environmental Impact Statement relating to this activity, which has previously been submitted to the Waterford County Council, will be submitted to the Agency as part of this application. The Environmental Impact Statement submitted to the Agency in accordance with section 5(2)(a) of the Act of 1992, and any information provided to the Agency under paragraph (a) or (b) of section 5(2)(a) of the Act of 1992, any opinion issued by the Agency under section 8(2A)(i) of the Act of 1992 or the notice of the Environmental Impact Statement, and any further information, including reports and the results of the Agency's consultation of the application, shall each be made available on the Agency's website and at the headquarters of the Agency.

Subscribers may be made in writing to the Agency in relation to the likely effects of the activity at the proposed activity within the period specified by the Agency on its website under section 6(2)(c), and in accordance with section 8(1) of the Act of 1992, a consent may be granted or refused by the Agency on its website. A copy of this licence review application may be obtained on the Agency's website or inspected at or copied from the headquarters of the Agency as soon as it is practicable after the receipt by the Agency of the licence review application.
