

Re: Technical Amendment Request

27 April 2021

Reg. No.: P1087-01

Dear Ms Rooney

I refer to the request received on 26 March 2021 for a technical amendment of your EPA licence.

In order to progress your request, the following information is required:

1. Provide the air dispersion model report referred to in your request for a technical amendment to demonstrate that there will be no impact on the ambient air quality, and
2. Provide details to demonstrate that there will be no net increase in the maximum mass emissions from the installation provided for in the licence P1087-01.

You are requested to provide the above information within one month of this notice. In the absence of a response to this notification, the Agency may consider that you no longer wish to proceed with your request.

Please direct any queries that you may have in relation to the above to the Inspector Brian Donlon at 053-9160600.

Yours sincerely
