Reg. No.: W0062-02

Notification of extension of period for consideration of objections in respect of a licence review from Donegal County Council for a facility located at Churchtown, Lifford, County Donegal.

Dear Ms McMahon,

I refer to the objection to the Agency's proposed determination on the above referenced licence review.

I am to notify you in accordance with the provisions of Article 33 of the Waste Management (Licensing) Regulations as amended, that it will not be possible because of the complexity and nature of the information to be considered in the determination of the objection, to carry out the procedures for the consideration of the objection within the period specified in the Regulations.

I am to advise that the Agency intends to complete the consideration of the objection before **27 August 2021**.

The Agency intends to issue its decision on the application before the specified date and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely,
