A chara,

Your correspondence of 7<sup>th</sup> January, 2021 in relation to the above application has reference. The application documentation will be passed to the appointed consultant who is now dealing with this on our behalf. Given the volume of work involved in formulating a response to the Notice we respectfully request an extension of time to submit the requested information therein and to carry out the necessary works required to furnish an appropriate response to same.

Mise le meas,

*David Regan,*  
Executive Technician,  
Environment Section,  
Waterford City and County Council
