Dear Mr. Sweeney,

I refer to the EPA's notice of 03 June 2021 requesting information in respect of your licence review application. It is noted that you have not responded to the notice issued.

With a view to advancing this application for determination, the above mentioned information should be submitted to the EPA by 31 August 2021.

(3) Where a notice has been given under paragraph (2), the Agency may, at any time after the expiration of the period specified in the notice, and after considering the submission (if any) made to the Agency pursuant to the notice, declare that the application to which the notice relates shall be regarded as having been abandoned

Your prompt attention to this matter is requested.
