

**Notice for Public Consultation on Appropriate Assessment
under Regulation 42 of the European Communities (Birds and Natural Habitats) Regulations 2011
as amended**

The EPA on 21 October 2019 issued an Appropriate Assessment Screening Determination to Mr. Eoin O’Brien for an installation located Mogeely Pig Farm, Annistown, Killeagh, County Cork regarding an Industrial Emissions licence review application, Register Number P0790-03.

Classes and Nature of Activity in accordance with the EPA Act 1992 as amended			
Class of Activity	Main Activity	EPA Act Sector (where applicable)	Class of Activity Description
6.2 (a)	No	Intensive Agriculture	The rearing of pigs in an installation where the capacity exceeds - (a) 750 places for sows
6.2 (b)	Yes	Intensive Agriculture	The rearing of pigs in an installation where the capacity exceeds - (b) 2,000 places for production pigs which are over 30kg

The application is to allow an increase in stock numbers at the existing, licensed pig farm from a 600-sow integrated unit to a 1,500-sow integrated unit and new infrastructure associated with the expansion.

The EPA has carried out an Appropriate Assessment Screening and has determined that an Appropriate Assessment is required for the activity. The applicant has submitted a Natura Impact Statement.

The documents relating to the licence application, including the Appropriate Assessment documentation can be viewed on the EPA website at www.epa.ie or at EPA Headquarters, P.O. Box 3000, Johnstown Castle Estate, Co. Wexford (Tel: Lo Call 1890 33 55 99 or 053 9160600).

Submissions or observations on a licence application can be made to the Agency in relation to Appropriate Assessment. Such submissions may be made for at least 30 days after publication of the following information on the Agency’s website:

- Notice for Public Consultation on Appropriate Assessment
- Natura Impact Statement received from applicant
- Additional information submitted on the Natura Impact Statement

Information on making submissions or observations and on the public participation process is available on the Agency's website.

The EPA shall publish its proposed determination (grant/refusal) on its website, and before making a final determination, the EPA shall consider any objections / submissions on objections. The final determination will also be published on the website.
