Eve,

As per previous email correspondence to the Agency Ref. CR07794, Monaghan County Council seeks an estimated proposed date for a decision on CR07794. While Monaghan County Council suggested an indicative date of 1<sup>st</sup> September 2021, a decision by this date is not essential. However, it is essential that Monaghan County Council receives notice of the CR07794 decision date to ensure that consent is in place at all times for operation of the recycling facilities at Scotch Corner.

Regards,

Irene Williamson
