Re: Technical Amendment Request

19 November 2020

Reg. No.: CR07794

Dear Ms. Williamson,

I refer to the request received on 28 September 2020 for a technical amendment of your EPA licence.

In order to progress your request, the following information is required:

1. Please provide a detailed up to date drawing of the vertical profile of the proposed licensed boundary clearly showing the vertical limits of the boundary in terms of depth below existing ground level. The drawing should include the slab or plinth, any aboveground structures, the subsurface landfilled waste and any other relevant infrastructure such as surface and waste water drainage and landfill gas collection.
2. Please clarify the nature of the wastewater discharge from the materials recovery building.
3. Please provide an up to date version of the following drawings indicating the proposed licence boundary:
 - Title: Electrical & Landfill Gas Collection Layout. Drawing No. D003 Rev A Date 23-10-17 (from Appendix 2 of the independent closure audit)
 - Title: Surface Water & Waste Water Layout. Drawing No. D002 Rev A Date 23-10-17 (from Appendix 2 of the independent closure audit)
4. Please provide an appropriate assessment (AA) screening report.

You are requested to provide the above information within **one month** of this notice. In the absence of a response to this notification, the Agency may consider that you no longer wish to proceed with your request.

Please direct any queries that you may have in relation to the above to the Inspector Jim Johnson at 053-9160600 or licensing@epa.ie.

Yours sincerely
