

## PUBLIC NOTICES

**Notice for Public Consultation on  
Appropriate Assessment under  
Regulation 42 of the European  
Communities (Birds and Natural  
Habitats) Regulations 2011  
as amended**

The EPA on 29<sup>th</sup> September 2020 issued an Appropriate Assessment Screening Determination to Fingal County Council for a closed landfill located at Barnageeragh Landfill, Barnageeragh Cove, Skerries, County Dublin, in the townland of Barnageeragh, regarding an application for a certificate of authorisation, Register Number H0167-01.

The application is for a certificate of authorisation, including remedial measures required, at the above referenced closed landfill. The closed landfill site covers an area of 1.4 hectares. Disposal of waste at the site was carried out from 1950s to 1983. Approximately 44,516 tonnes of waste was deposited at the site. The waste comprises of municipal waste and construction & demolition (C&D) waste.

The EPA has carried out an Appropriate Assessment Screening and has determined that an Appropriate Assessment is required for the activity.

The documents relating to the application for a certificate of authorisation can be viewed on the EPA website at [www.epa.ie](http://www.epa.ie) or at EPA Headquarters, P.O. Box 3000, Johnstown Castle Estate, Co. Wexford (Tel: Lo Call 1890 33 55 99 or 053 9160600).

Submissions or observations on Appropriate Assessment concerning a certificate of authorisation application can be made in writing to the Agency. Such submissions or observations may be made for at least 30 days after publication of the following information on the Agency's website:

- This Notice for Public Consultation on Appropriate Assessment

Information on making submissions or observations and on the public participation process is available on the Agency's website.

The EPA shall publish its draft certificate of authorisation on its website, and before making a final decision, the EPA shall consider any representations submitted in accordance with the Waste Management (Certification of Historic Unlicensed Waste Disposal and Recovery Activity) Regulations 2008. The final decision will also be published on the website.
