On behalf of Starrus Eco Holdings Limited

04 January 2022

Reg. No.: W0249-02

Further Notice under the EPA (Industrial Emissions) (Licensing) Regulations 2013, in respect of a licence review from Starrus Eco Holdings Limited for an installation located at Starrus Eco Holdings Limited (Littleton), Ballybeg, Littleton, Tipperary, E41 WP83

Dear Sir or Madam,

I refer to the EPA's notice of 25 August 2021 requesting information in respect of your licence review application. You are advised that there remains outstanding information, as required under the EPA (Industrial Emissions) (Licensing) Regulations 2013, as amended.

In your letter to the Agency dated 1 November 2021, it is noted that Tipperary County Council granted planning permission, however this was appealed to An Bord Pleanála by a third party and that Starrus Eco Holdings Limited would provide the required planning permission details to the Agency when available.

Please provide details of the final planning permission of An Bord Pleanála to the Agency within four weeks from the date of the final grant of permission in order to allow the Agency to process and determine your application.

It should be noted that failure to comply with this request may result in the EPA activating Regulation 19 of the EPA (Industrial Emissions)(Licensing) Regulation 2013 which pertains to Withdrawal or Abandonment of application for a licence.

Your prompt attention to this matter is requested.

Yours faithfully,

Jennifer Cope
