

EIA Screening Determination

In accordance with Section 40(2A) of the Waste Management Act 1996, as amended, the Agency has, as part of its consideration of the Waste licence application referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

Application Details:

Reg No.	W0309-01
Applicant Name:	Dunlavin Land Restoration Limited
Location of facility:	Usk, Kilcullen, Kildare, W91 NY24
Authorisation Type:	Licence
Licence Application Date:	14 January 2021
Date of EIA Screening Determination:	11 January 2022

EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is required for the activity to which the above licence application relates due to the following reasons:

The activity exceeds the following threshold in Part 2 of Schedule 5 of the Planning and Development Regulations 2001 as amended,

11 (b) Installations for the disposal of waste with an annual intake greater than 25,000 tonnes not included in Part 1 of this Schedule.

Submissions on a licence application can be made before the Proposed Decision is issued. Information on the public participation process is available on the Agency's website at www.epa.ie.
