Dear Sir / Madam

RE: WASTE LICENCE REVIEW APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY BY ROADSTONE LIMITED IN RESPECT OF SOIL AND STONE WASTE RECOVERY ACTIVITY AT HUNTSTOWN SOUTH QUARRY, NORTH ROAD, FINGLAS, DUBLIN 11

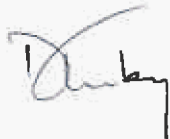

Further to your letter dated 22 December last acknowledging receipt of an application submitted on behalf of Roadstone Ltd for review of its existing waste licence in respect of soil waste recovery activities at Huntstown Quarry, Finglas, Dublin 11, please find attached, as requested, one complete print copy of the licence review application and supporting documents / attachments.

The print copy of the licence review application comprises 3 separate folders as follows

- (i) The Waste Licence Review Application (with attachments)
- (ii) An Environmental Impact Assessment Report (EIAR) addressing the potential impacts of proposed soil waste recovery activity at Huntstown South Quarry; and
- (iii) A copy of the Environmental Impact Statement previously submitted to Fingal County Council and An Bord Pleanála in support of a planning application for further development and restoration of the quarry complex at Huntstown.

I trust the documentation provided is in order. If you have any further requirements or queries in respect of this licence review application, please contact the undersigned.

Yours faithfully
SLR Consulting Ireland
