Dear Sir/Madam

In accordance with the Regulation 14(1) of European Union (Waste Water Discharge) Regulations 2007 to 2020, the EPA has commenced an examination of Waste Water Discharge Licences (WWDLs).

The purpose of the WWDL examinations is to ensure that the authorisations satisfy the relevant environmental requirements of the Waste Water Discharge (Authorisation) Regulations 2007 to 2020.

A list of draft reports has been published to the Agency's website and is attached. The EPA are now inviting comments or observations in relation to their examination of WWDLs.

You can submit a comment or observation within three weeks of publication of the draft WWDL examination reports by e-mail to licensing@epa.ie with the subject line 'WWDA Examination Project – DXXX-0X'. A pro-forma template has been developed to assist and is attached for your convenience. In finalising the examination, the EPA will consider your comments or observations.

Please note that there is no requirement for you to acknowledge this notification.
