**Re: Fiojo Ltd.
Licence Application for poultry farm at Corvoy, Ballybay, Co. Monaghan**

Dear Sir/Madame,

I refer to previous correspondence in relation to the above mentioned application. Planning permission has recently been applied for to increase the scale of this farm to a 90,000 bird capacity (from 75,000 as previously applied for), and the application is to be considered as a 90,000 capacity forthwith.

Please find enclosed the relevant sections of the licence application updated in respect of same, and a copy of the E.I.A.R. as submitted with the planning application.

If you require any additional information please contact this office.

Yours faithfully,

Paraic Fay
