RE: Extending the Agency's proposed determination to the 10th of June 2022

Dear Sir/Madam

I refer to your previous correspondence on the 11th of February 2021 in relation to the above Licence and as you will appreciate the applicant is keen to have this application decided as soon as may be practicable.

After giving consideration, the applicant wishes to confirm that they accept the agencies request to extend the appropriate period and would appreciate if the Agency would take all the necessary steps to ensure a proposed determination is made as soon as may be practicable.

Kind Regards,

David Wynne BSc. (EnvSc)
