

EIA Screening Determination

In accordance with Section 83(2A) of the EPA Act 1992, as amended, the Agency has, as part of its consideration of the Industrial Emissions licence application referenced below, determined whether the application should be made subject to an Environmental Impact Assessment (EIA) as respects the matters that come within the functions of the Agency. The determination, and the reasons for the determination, are detailed below.

Application Details:

Reg No.	P1171-01
Applicant Name:	Amazon Data Services Ireland Limited
Location of installation:	Clonsaugh Business & Technology Park, Dublin D17, Dublin, D17 V088
Authorisation Type	Licence
Licence Application Date:	21 January 2022
Date of EIA Screening Determination:	04/03/2022

EIA Screening Determination:

EIA, as respects the matters that come within the functions of the Agency, is required for the activity to which the above licence application relates due to the following reasons:

The activity exceeds the threshold of project type 10(a) in Part 2 of Schedule 5 of the Planning and Development Regulations 2001 as amended: *Industrial estate development projects, where the area would exceed 15 hectares.*

Submissions on a licence application can be made before the Proposed Determination is issued. Information on the public participation process is available on the Agency's website at www.epa.ie.
