8 March 2022

Dear Sir/Madam

I wish to acknowledge your letters to the Agency, dated 8 February 2022 and 3 March 2022, on behalf of your client DDS Brady Farms Limited.

The Agency has commenced a review of your clients licence P0408-02. The purpose of this review is to ensure the licence is up to date with current legislative requirements and to reflect the outcome of the judicial review proceedings associated with this application.

While this licence review will be dealt with as a matter of priority by the Agency, there are a number of legislative requirements that must be satisfied prior to completing the review including a full assessment of the site activities and Appropriate Assessment. These requirements cannot be completed in an immediate manner but will ensure that the final determination is in line with all legal requirements.

I trust this information is of use to you.

Yours sincerely,

Environmental Licensing Programme
Office of Environmental Sustainability
