Paraic,

This email is to confirm the requirement for EIA on the various planning applications / permissions at Clonloaghan, Kilcogy, Co. Cavan. I understand that same has been requested by the Environmental Protection Agency.

Below is a summary of the planning history, as requested:

19/103: permission granted by Cavan County Council to construct 1 no. poultry house. No EIAR required.

21/146: permission granted by Cavan County Council to construct 2 no. poultry houses. An EIAR was required for this development proposal and was submitted with the application.

I trust that this clarifies the matter.

Kind Regards
Bronagh

Bronagh

I hope all is well.

I note that permission has been granted for 21/146.

Regarding the first house on this site (Planning Ref: 19/103) can you please provide the following at your earliest convenience – “provide written confirmation from the planning authority as to whether or not an EIA was required, by or under the Planning and Development Act 2000, as amended.”

No EIA was required as it was sub-threshold however same is required to progress the E.P.A. Licence application for this site.

Should you require anything further please do not hesitate to contact me.

Regards
