Dear Ms McCormack

Re: Licence Technical Amendment Applications Reg No W0036-02 in the name of Indaver Ireland Limited - (CR08793) and (CR08914)

The Agency has two technical amendment requests on-hand for Indaver Ireland Limited as referred to above.

Please note that your two amendment requests *CR08793 received on 16 April 2021* and *CR08914 received on 24 June 2021* will be merged and assessed together under the latest received request CR08914.

Your Licence Change Request CR08793 has been withdrawn and will no longer be assessed under that CRO number.

The inspector will proceed with the assessment of CR08914 (now covering both requests) and will be in touch with you in due course.

If you have any queries please contact the licensing team by emailing licensing@epa.ie
