Acknowledgement of a Submission on Objection on EPA Licence Application – SSE Generation Ireland Limited (Great Island) - P0606

Dear Sir/Madam,

The EPA acknowledges receipt of your Submission on Objection received by the EPA on 08/04/2022 in relation to the above referenced proposed decision/determination which issued on 09/02/2022.

Your letter will be treated as a formal submission on an objection, and will be considered as part of the examination, assessment and decision on the proposed decision/determination by the EPA.

On receipt of valid submissions on objections the EPA will examine each submission and objection in detail and assess the specific issues raised as early as possible and will take all steps necessary to ensure that there are no avoidable delays, and will notify you of its decision on this licence application/review in due course.

All documentation relating to this proposed decision/determination is available for inspection on the EPA's website www.epa.ie including information on objections and submissions.

Yours sincerely,

**Environmental Licensing Programme
Office of Environmental Sustainability
