Reg. No.: P0606-04

Regulations 26 of the EPA (Industrial Emissions) (Licensing) Regulations in respect of a licence review from SSE Generation Ireland Limited for an installation located at Great Island Generating Station, Campile, New Ross, County Wexford.

Dear Sir,

The Agency acknowledges receipt of your submission on objection received by the Agency on 8 April 2022, in relation to the above referenced proposed determination which issued on 09 February 2022.

Your letter will be treated as a formal submission on an objection, and will be considered as part of the examination, assessment and decision on the proposed determination by the Agency.

On receipt of valid submissions on objections the Agency will examine each submission and objection in detail and assess the specific issues raised as early as possible and will take all steps necessary to ensure that there are no avoidable delays, and will notify you of its decision on this licence review in due course.

All documentation relating to this proposed determination is available for inspection on the Agency's website www.epa.ie including information on objections and submissions.

Yours sincerely,
